#be a racer

CLUB

aprilia®

#BEARACER CLUB IS IDENTITY. IT'S THE PRIDE OF OWNING AN APRILIA. IT'S LOOKING INTO ANOTHER PERSON'S EYES AND DISCOVERING SOMEONE OF YOUR OWN KIND. IT'S WHAT MAKES A MOTORCYCLIST A TRUE RACER.

#BEARACER CLUB IS SOMEONE WHO RIDES THE SAME BIKE AS YOU. IT'S SOMEONE WHO ARRANGES A DATE TO NOTCH UP ONE BEND AFTER ANOTHER. IT'S SOMEONE WHO SHARES THE ADRENALIN OF RIDING ON A RACE TRACK.

#BEARACER CLUB IS "RIDE DIFFERENT". IT'S EVERY WANDERER BEWITCHED BY THE HORIZON ON THE SADDLE OF AN APRILIA.

#BEARACER CLUB IS FRIENDSHIP, EVERY TIME YOU OPEN THE THROTTLE. IT'S SHARING THE "PERFECT SETTING" FOR YOUR FAVOURITE TRACK. IT'S SOMEONE TO SHOW YOUR "WORN OUT" KNEE SLIDER, BEND AFTER BEND.

#BEARACER CLUB IS A PITLANE WHERE YOU CAN SHARE NEWS, PHOTOS, EMOTIONS. WHERE YOU CAN CHAT ABOUT RACETRACKS, ACCESSORIES, JOURNEYS, EXPERIENCES AND MEMORIES ON YOUR BIKE, TECHNOLOGY, RACES. WHERE YOU CAN SHARE YOUR IDENTITY AND THE PRIDE OF BEING AN APRILIA RACER.

LIKE MAX BIAGGI, VALENTINO ROSSI, JORGE LORENZO, LORIS CAPIROSSI AND ALL THE OTHER CHAMPIONS WHO HAVE WON ON THE SADDLE OF AN APRILIA BIKE. A CLUB OF RACERS THAT HAS BEEN WORLD CHAMPION 54 TIMES.

# SCHOOL OF CHAMPIONS RACING DNA

54 WORLD TITLES, HUNDREDS OF WINS IN WORLD CLASS MOTOR RACING, SBK AND OFFROAD: APRILIA IS THE MOST VICTORIOUS EUROPEAN BRAND OF ANY IN OPERATION TODAY IN THE HISTORY OF MOTORCYCLING. A RACING TEAM WHICH HAS EXPERIMENTED WITH IDEAS AND TECHNOLOGIES, WHICH HAS ALWAYS SOUGHT OUT NEW CHALLENGES: FROM MOTOGP TO MOTOCROSS, FROM SUPERBIKE TO SUPERMOTARD, FROM RALLY TO TRIAL. MANY OF THE MOST IMPORTANT CHAMPIONS IN THE HISTORY OF MODERN MOTORCYCLING WERE GROOMED AND BECAME VICTORIOUS UNDER THE APRILIA UMBRELLA: MAX BIAGGI, VALENTINO ROSSI, LORIS CAPIROSSI, MARCO MELANDRI, JORGE LORENZO, THIERRY VAN DEN BOSCH, ADRIEN CHAREYRE AND MANY OTHERS. APRILIA HAS SHARED PASSION, CHALLENGES AND WINS WITH ALL OF THEM. THESE ARE THE SAME WINNING EMOTIONS THAT APRILIA SHARES DAILY WITH EVERY BIKER ON THE ROADS AND TRACKS ALL OVER THE WORLD.

## AKRAPOVIC COMPLETE RACING EXHAUST

**cod. 2S000556** **EVO 1 - CARBON**

Complete Akrapovic racing exhaust system for track use made entirely from titanium with oval muffler in carbon. The cylinder head mating flanges are machined from solid billet aluminium while the silencer mounting brackets are in carbon fibre. The whole system weighs less than 5 kg and delivers a healthy increase in torque above 4,500 rpm, which is particularly notable from 4,500 to 8,000 rpm, significantly improving acceleration out of turns. Includes dedicated ECU mapping (with three R/S/T settings) to exploit the full potential of the exhaust. Unlike the standard ECU mapping, all three R, S and T maps deliver unlimited power - the S ECU mapping offers smoother response, whereas the R mapping limits torque in the first three gears. For track use only.

**aprilia racing**

## AKRAPOVIC SLIP-ON EXHAUST KIT WITH RACE TUBE INCLUDED

**cod. 2S001051** **CARBON**

**aprilia racing**

**cod. 2S001050** **TITANIUM**

**Euro4**

The kit is made up of a hexagonal silencer made of either Carbon fiber or Titanium.

The 2S001051 in carbon has a removable Db-killer with catalyst-free racing collar. The 2S001050 titanium exhaust is homologated according to Euro4 cap. 5 and 9 (emissions and noise) and can be freely used on the road without modifications to carburetion parameters. Both exhausts are mounted onto the down pipes of the standard exhaust and attach to the bike with a special clamp included in the kit. Also available, sold separately: an aluminum bracket (896180) or carbon bracket (606314M) which fasten the exhausts onto the bike by removing the passenger footrests.

cod. 2S001051 Carbon-for track use only (without catalyst)  
cod. 2S001050 Titanium - Euro 4 - approved road use

## ECU RACING KIT

**cod. CM281707**

Dedicated engine control unit for track use, pre-programmed with racing ECU mappings. For use on bikes fitted with aftermarket exhaust systems (complete systems or slip-on muffler) NOT supplied by Aprilia. Recommended for use in combination with exhausts with no catalytic converter, with or without Db-killer. Dedicated ECU mapping (with three R/S/T settings) to exploit the full potential of the exhaust. Unlike the standard ECU mapping, all three R, S and T maps deliver unlimited power - the S ECU mapping offers smoother response, whereas the R ECU mapping limits torque in the first three gears. After installation of ECU by an authorised Aprilia service centre, later updates may be downloaded and installed. For track use only.

**aprilia racing**

## ALUMINIUM BRACKET KIT

**cod. 606314M**

**CARBON**

Carbon fibre silencer mounting bracket. For track use only.

**aprilia racing**

**cod. 896180**

**ALUMINIUM**

Aluminium silencer mounting bracket. For track use only.

**aprilia racing**

## STEERING DAMPER

**cod. 606648M**

**ÖHLINS**

Öhlins steering damper for maximum performance on the road with true racing looks. Standard on RF model.

## FRONT FORK KIT

**cod. 606622M**

**ÖHLINS NIX FORK**

High performance on the road and track with a racing look and feeling. Fully adjustable in compression, extension and pre-load. Standard on RF version.

## REAR SHOCK ABSORBER

**cod. 606621M**

**ÖHLINS TTX36 ADVANCE**

Made specifically for RSV4. Fully adjustable. Head and body made fully of aluminum. The "advanced" version contains a dual link kit that maximizes the performance of the rear cushion. 606621M - standard on RF model.

**cod. 894912**

**ÖHLINS TTX36**

## REVERSE GEAR LEVER RACING KIT

**cod. 25001040** ALUMINIUM

Mechanical element that reverses the shift gears mode, in order to have a better driving performance on the exit of the turn when racing on tracks.

**aprilia** racing

## LEVERS RACING KIT

**cod. 895325** RACING CLUTCH LEVER

**cod. 895324** RACING BRAKE LEVER

In billet aluminium. Lightweight with anodized black finish. For track use only.

**aprilia** racing

## FRONT MUDGUARD KIT

**cod. 895394** CARBON

**cod. 896184** CARBON - USA VERSION

Component from polished carbon fibre (with matte finish). Fits onto the standard calliper mounting brackets for sportier looks evocative of the Factory version.

## REAR MUDGUARD KIT

**cod. 895395** CARBON

Component made from polished carbon fibre (with matte finish). Fits onto the standard swingarm for sportier looks evocative of the RF version. Weight saving. Homologated for road use.

## HEEL GUARD KIT

**cod. 895318** CARBON

In 200g carbon fibre. Less weight and sportier looks. Also compatible with optional adjustable footpegs.

## CARBON SIDE FAIRINGS KIT

**cod. 895396** CARBON - RIGHT

**cod. 895397** CARBON - LEFT

Component made from varnished (matte finish) carbon fibre. Used to replace the plastic side fairings to give the bike sportier looks evocative of the Factory version. Weight saving. Homologated for road use.

## BLACK FORGED ALUMINIUM WHEEL RIMS

cod. 895409 FRONT

cod. 895410 REAR

Made from forged aluminium alloy. Engineered using advanced simulation and modelling tools such as FEM analysis, these wheel rims offer a weight saving over the standard cast components while still ensuring unrivalled robustness. The resulting reduction in gyroscopic effect and unsprung weight translates to unparalleled responsiveness and agility.

## LICENSE PLATE HOLE CAP KIT

cod. 895322 ALUMINIUM

In laser-cut aluminium. With laser-cut logos. Permits removal of license plate for track use. For track use only.

aprilia racing

## ADJUSTABLE LICENSE PLATE MOUNTING KIT

cod. 606651M STEEL

In laser-cut steel. With white LED license plate light. Gives the bike a sleeker and sportier look. For track use only.

aprilia racing

# RSV4 RR/RF

## CAP KIT FOR MIRROR MOUNT HOLES

cod. 895320 POLYETHYLENE

In polyethylene. With laser-cut logos. Permits removal of mirrors for track use. For track use only.

aprilia racing

## HANDLEBAR COUNTERWEIGHT KIT

cod. 895326 ALUMINIUM

In billet aluminium. With black nylon cap and laser-cut logos. Design with concealed fastener screw.

## CRASH PADS KIT

cod. 25000728

Machined from solid nylon. Mountings in billet aluminium. Distinctive triangular design.

## TANK COVER

**cod. B046054** TECHNICAL FABRIC

In technical fabric with carbon effect inserts. With fasteners for small and large tank bags. Tested, approved resistance to oil, fuel and UV light. Ensures ergonomics and stability even at higher speeds. Features a hole for refuelling without removing the cover. With contoured electrostatic tank protector.

## TANK BAG

**cod. 897049** TECHNICAL FABRIC

In technical fabric with carbon effect inserts. With fasteners for tank cover. Tested, approved resistance to oil, fuel and UV light. Ensures ergonomics and stability even at higher speeds. The large 9 litre tank bag is secured to the tank cover with quick release buckles. With upper map pocket and rain hood. A handle and shoulder strap make the bag easy to carry.

## SMARTPHONE MULTIMEDIA PLATFORM

**cod. 606522M** V4-MP MULTIMEDIA PLATFORM RR/RF

**cod. 606652M** INSTALLATION KIT RR/RF

**cod. 2B002460** USB SOCKET KIT RR/RF

Installed as standard on RF model.

Multimedia Platform is a new device which allows the vehicle to be easily connected to a Smartphone, transforming it into a true and proper on board computer, capable of managing all the information relative to the vehicle and information which can be useful for the trip. Installation kit to be bought for specific model. Standard on RF model.

For further info visit: [www.aprilia.com](http://www.aprilia.com)

## RSV4 MOTORBIKE COVER

**cod. 894866** FOR INDOOR USE

Indoor cover. In breathable Lycra. Two-tone black and red colour scheme.

## AKRAPOVIC SLIP-ON EXHAUST KIT INCLUSIVE OF RACE TUBE

cod. 2S001051 E3 - CARBON

aprilia racing

cod. 2S001050 E3 - CARBON

Euro4

The kit is made up of a hexagonal silencer made of either Carbon fiber or Titanium. The 2S001051 in carbon has a removable Db-killer with catalyst-free racing collar. The 2S001050 titanium exhaust is homologated according to Euro4 cap. 5 and 9 (emissions and noise) and can be freely used on the road without modifications to carburetion parameters. Both exhausts are mounted onto the down pipes of the standard exhaust and attach to the bike with a special clamp included in the kit. Also available, sold separately: an aluminum bracket (896180) or carbon bracket (606314M) which fasten the exhausts onto the bike by removing the passenger footrests.

cod. 2S001051 Carbon - for track use only (without catalyst)  
cod. 2S001050 Titanium - Euro 4 - approved road use

## ECU RACING KIT

**cod. CM281708**

Dedicated engine control unit for track use, pre-programmed with racing ECU mappings. For use on bikes fitted with aftermarket exhaust systems (complete systems or slip-on muffler) NOT supplied by Aprilia. Recommended for use in combination with exhausts with no catalytic converter, with or without Db-killer. Dedicated ECU mapping (with three R/S/T settings) to exploit the full potential of the exhaust. Unlike the standard ECU mapping, all three R, S and T maps deliver unlimited power - the S ECU mapping offers smoother response, whereas the R ECU mapping limits torque in the first three gears. After installation of ECU by an authorised Aprilia service centre, later updates may be downloaded and installed. For track use only.

**aprilia racing**

## ALUMINIUM BRACKET KIT

**cod. 606314M**

**CARBON**

Carbon fibre silencer mounting bracket. For track use only.

**aprilia racing**

**cod. 896180**

**ALUMINIUM**

Aluminium silencer mounting bracket. For track use only.

**aprilia racing**

## FRONT FORK KIT

**cod. 606622M**

**ÖHLINS NIX FORK**

Includes Öhlins OEM front fork on FACTORY version and the lower steering plate (the upper steering plate on the bike is already compatible with this Öhlins fork). Can be mounted without having to replace the existing brake disks, brake calipers and rims.

## REAR SHOCK ABSORBER

**cod. 606649M**

**ÖHLINS**

Öhlins rear shock absorber (OEM part on FACTORY version), available as an accessory for the RR version. Maximum performance on the road.

## STEERING DAMPER

**cod. 606648M**

**ÖHLINS**

Öhlins steering damper for maximum performance on the road with true racing looks.

# TUONO V4 1100 FACTORY / 1100 RR

## FRONT MUDGUARD KIT

cod. 895394 CARBON

Component from polished carbon fibre (with matte finish). Fits onto the standard calliper mounting brackets for sportier looks evocative of the Factory version.

Front mudguard for USA: cod. 896184

## REAR MUDGUARD KIT

cod. 895395 CARBON

Component from polished carbon fibre (with matte finish). Fits onto the standard swingarm for sportier looks evocative of the RF version. Weight saving. Homologated for road use.

## HEEL GUARD KIT

cod. 895318 CARBON

In 200g carbon fibre. Less weight and sportier looks. Also compatible with optional adjustable footpegs.

TUONO V4 1100 FACTORY / 1100 RR

## CARBON SIDE FAIRINGS KIT

cod. 895396 CARBON - RIGHT

cod. 895397 CARBON - LEFT

Component made from varnished (matte finish) carbon fibre. Used to replace the plastic side fairings to give the bike sportier looks evocative of the Factory version. Weight saving. Homologated for road use.

## REVERSE GEAR LEVER RACING KIT

cod. 25001040 ALUMINIUM

Mechanical element that reverses the shift gears mode, in order to have a better driving performance on the exit of the turn when racing on the tracks.

aprilia racing

## LED INDICATORS KIT

cod. 25000048 HOMOLOGATED

The LED indicator features lower consumption and higher brightness. Designed in collaboration with Aprilia style centre. Tested in-house in accordance with the most strict Aprilia quality standards.

## BLACK FORGED ALUMINIUM WHEEL RIMS

**cod. 895409** FRONT

**cod. 895410** REAR

Made from forged aluminium alloy. Engineered using advanced simulation and modelling tools such as FEM analysis, these wheel rims offer a weight saving over the standard cast components while still ensuring unrivalled robustness. The resulting reduction in gyroscopic effect and unsprung weight translates to unparalleled responsiveness and agility.

## AIR FILTER KIT

**cod. B044225**

Air filter from RSV4 RF which allows a greater flow of air to the engine, giving a significantly better performance.

## CRASH PADS KIT

**cod. B046132**

Machined from solid nylon. Mountings in billet aluminium. Distinctive triangular design.

## LICENSE PLATE HOLE CAP KIT

**cod. 895322** ALUMINIUM

In laser-cut aluminium. With laser-cut logos. Permits removal of license plate for track use. For track use only.

**aprilia** racing

## ADJUSTABLE LICENSE PLATE MOUNTING

**cod. 895323** STEEL

In laser-cut steel. With white LED license plate light. Gives the bike a sleeker and sportier look. For track use only.

**aprilia** racing

## TANK COVER

**cod. B046054** TECHNICAL FABRIC

In technical fabric with carbon effect inserts. With fasteners for small and large tank bags. Tested, approved resistance to oil, fuel and UV light. Ensures ergonomics and stability even at higher speeds. Features a hole for refuelling without removing the cover. With contoured electrostatic tank protector.

## TANK BAG

**cod. 897049** TECHNICAL FABRIC

In technical fabric with carbon effect inserts. With fasteners for tank cover. Tested, approved resistance to oil, fuel and UV light. Ensures ergonomics and stability even at higher speeds. The large 9 litre tank bag is secured to the tank cover with quick release buckles. With upper map pocket and rain hood. A handle and shoulder strap make the bag easy to carry.

## GEL SPORT SADDLE

**cod. B044750**

The saddle is equipped with a gel insert that increases the feeling of the rider with his motorcycle, ensuring maximum comfort in all riding conditions.

## SMARTPHONE MULTIMEDIA PLATFORM

**cod. 606522M** V4-MP MULTIMEDIA PLATFORM

**cod. 606652M** INSTALLATION KIT

Multimedia Platform is a new device which allows the vehicle to be easily connected to a Smartphone, transforming it into a true and proper on board computer, capable of managing all the information relative to the vehicle and information which can be useful for the trip. Installation kit to be bought for specific model.

aprilia®

# DORSODURO 900

aprilia®

## GEL COMFORT SADDLE

cod. 890252

Saddle padded with gel and special material. Maximum grip for rider. Exposed stitching. Developed in collaboration with the Aprilia style centre. For the user who demands maximum comfort and style.

## GOLD COLOURED CHAIN KIT

cod. 890255

For even better performance with new seal rings. The ideal choice for more demanding or extreme applications. Pins and plates in special steel alloy Bedding-in preload. Gold coloured links to further enhance the visual impact of the mechanicals.

## SPROCKET IN HARD ANODISED ERGAL

cod. 890254

HOMOLOGATED Z = 46

cod. 894083

RACING Z = 47

cod. 894084

RACING Z = 48

In ergal. Manufactured to extremely high standards. Light and extremely strong. Recommended for a more professional biased use Dark grey. Compatible with standard or gold coloured chain.

## RACING RIDER FOOTPEG KIT

cod. 890270

Offers rider a surer grip. For track use only.

aprilia racing

## FOOTPEG RUBBER KIT

cod. 890256

Greater comfort and a surer grip for the rider, especially when not wearing riding boots. These components offer an additional barrier against vibration transmission.

## BRAKE LEVER CLUTCH LEVER

cod. 890257

BRAKE LEVER

cod. 890258

CLUTCH LEVER

Accessory in billet aluminium. For track use only.

aprilia racing

## ALUMINIUM MIRRORS

**cod. 890471** LEFT

**cod. 890272** RIGHT

Accessory in billet aluminium. Friction mount adjuster screws for the optimum setting. Convex glass for optimum visibility. Designed in collaboration with Aprilia style centre. Tested in-house in accordance with the most stringent Aprilia quality standards.

## LED INDICATORS KIT

**cod. 25000048** HOMOLOGATED

The LED indicator features lower consumption and higher brightness. Designed in collaboration with Aprilia style centre. Tested in-house in accordance with the most strict Aprilia quality standards.

# DORSODURO 900

aprilia®

## TANK BAG

cod. 894858

Extensible. With practical pockets and a carry handle. Fastens onto tank cover with quick release clips and an adjustable fastener. Includes rain hood.

## TANK COVER

cod. 894857

Made from nylon and PVC. With embroidered logos. Gives the Dorsoduro an even more aggressive look. Allows fitment of the dedicated tank bag, the special side bags or both.

## SIDE TANK BAGS KIT

cod. 894859

Matching with tank cover and easy to fasten thanks to high-strength zips. Ideal for further increasing load capacity. Waterproof cover also included.

DORSODURO 900

## SEMI-RIGID PANNIER KIT

**cod. 606680M**

Dynamic security and protection for luggage. Made in technical skai. They hook up and mount very easily on the side supports. Elegant and spacious with a capacity of 42 litres. Equipped with a reflective profile to increase night-time visibility. Lockable zipper with padlock. Rain cover available, sold separately (cod: 606690M)

## TANK & CLUTCH OIL RESERVOIR COVER

**cod. 890273** **BRAKE OIL**

**cod. 890274** **CLUTCH**

Accessory in billet aluminium. For track use only.

## MOTORCYCLE COVER

**cod. 894873**

Protects the bike totally against dust, scratches and minor knocks. Made to measure entirely in Italy. Minute attention to detail. Antistatic, warp-knit fabric. Slightly elasticated.

## SEMI-RIGID PANNIER MOUNT KIT

**cod. 890143**

Maximum durability and practicality. Made in high strength material. Media blasted and cathaphoresis treated against corrosion and wear.

## PASSENGER GRAB-HANDLE KIT

**cod. 890686**

Made in metal and designed for maximum passenger ergonomics.

## SMARTPHONE MULTIMEDIA PLATFORM

**cod. 606522M** **APRILIA MULTIMEDIA PLATFORM**

**cod. 606664M** **INSTALLATION KIT**

Multimedia Platform is a new device which allows the vehicle to be easily connected to a Smartphone, transforming it into a true and proper on board computer, capable of managing all the information relative to the vehicle and information which can be useful for the trip. Installation kit to be bought for specific model.

## TANK BACKPACK

cod. 856952

A sturdy and versatile travel companion. Made from skai technical fabric and extra-strong polyester. 14 litre capacity. Fits onto tank cover with 3 snap fasteners. Specially designed not to interfere with arm movement when riding or obstruct visibility of instrumentation. Easy to carry after removal with practical shoulder strap. With waterproof rain hood.

## TANK COVER

cod. 856953

Total protection against scratches, fuel and the weather. Covers the tank perfectly. Fuel cap remains easily accessible. Exterior in skai technical fabric and extra-strong polyester. Washable and reusable protective film in electrostatic PVC. Snap fasteners for fitting onto tank bag.

## RED ALUMINIUM WHEEL RIMS

cod. 2B002105

FRONT

cod. 2B002110

REAR

17" front and rear aluminium wheel rims, finished in red powder coating. They enhance the sportiness of the new SHIVER 900.

## ALUMINIUM MIRRORS

*cod. 890471* **LEFT**

*cod. 890272* **RIGHT**

Accessory in billet aluminium. Friction mount adjuster screws for the optimum setting. Convex glass for optimum visibility. Designed in collaboration with Aprilia style centre. Tested in-house in accordance with the most stringent Aprilia quality standards.

## HANDGUARD KIT

*cod. 894088*

Component made in high strength plastic. Matte surface finish (polished and unpainted).

## ENGINE GUARD KIT

cod. 894086

Fastener pins in billet aluminium. Bumpers in machined nylon.

## STAND PIN KIT

cod. 897795 ALUMINIUM

In billet aluminium. Protective nylon crash pad Design with concealed fastener screw.

## BRAKE FLUID TANK & CLUTCH OIL COVER

cod. 890273 BRAKE OIL

cod. 890274 CLUTCH OIL

Accessory in billet aluminium. For track use only.

## MOTORCYCLE COVER

cod. 606646M

Protects the bike totally against dust, scratches and minor knocks. Made in Italy, to fit perfectly the model of motorcycle. Minute attention to detail. Antistatic, warp-knit fabric. Slightly elasticated.

## RACING RIDER FOOTPEG KIT

cod. 890276 RIDER

Accessory in billet aluminium. Ideal for track use. Raised by 16 mm. Set back by 12 mm. Designed in collaboration with the Aprilia style centre. Tested in-house in accordance with the most stringent Aprilia quality standards. For track use only.

aprilia racing

cod. 890275 PASSENGER
